Please note that the Fund will consider supporting fulltime undergraduate students for a maximum of six years. Post-graduate support for fulltime study may be considered to a maximum of three years towards the completion of your program.

Loan/Scholarship Terms & Conditions

If your application is approved by the Fund Committee, you will be granted five years from the time of graduation or leaving school to repay your loan at 5% simple interest which will be charged beginning on the date you depart from your school. Demand for payment will not be made prior to one year from the completion of your program of study or leaving school.

However, this loan together with all interest will be forgiven if you remain an active member of an Evangelical Lutheran Church in America (ELCA) congregation for the year(s) immediately following the completion of a degree or the termination of a program of study. One year of active membership defined as regular worship attendance as certified by the congregation’s pastor is required for each year you receive a loan from this fund in order for the loan to be forgiven.

I agree to provide transcripts & evidence of enrollment as required by the Fund Committee.
